SYNOPSIS

The Simon & Garfunkel Story chronicles the amazing journey shared by the folk-rock duo, Paul Simon and Art Garfunkel. It tells the story from their humble beginnings as Tom & Jerry to their incredible success as one of the best-selling music groups of the '60s to their dramatic split in 1970. It culminates with the famous "The Concert in Central Park" reunion in 1981 with more than half a million fans in attendance.

Using state of the art video projection, photos and original film footage, the show also features a full live band performing all of their hits, including "Mrs. Robinson" (featured in the 1967 film *The Graduate*), "Cecilia," "Bridge Over Troubled Water," "Homeward Bound" and many more.

With more than 100 million album sales since 1965, Simon & Garfunkel's perfect harmonies and songs that poignantly captured the times made them one of the most successful folk-rock duos of all time. Over the years, they won 10 Grammy® Awards and were inducted into the Rock and Roll Hall of Fame in 1990. In 1977, their *Bridge Over Troubled Water* album was nominated at the 1977 Brit Awards for Best International Album. In 2003, Simon and Garfunkel were awarded a Grammy® Lifetime Achievement Award and the following year saw their "The Sound of Silence" awarded a Grammy® Hall of Fame Award.

WHO'S WHO

TAYLOR BLOOM (*Paul Simon*) Taylor Bloom is an actor and musician based out of NYC. He is utterly thrilled to be back on the road with **THE SIMON & GARFUNKEL STORY** for another tour, and to be bringing this music to so many communities around the US. Born and raised in the Shenandoah Valley, Taylor attended Shenandoah Conservatory where, in addition to sharpening his skills on stage, he caught the bug for film, writing and directing. To round out his creative pursuits, he writes music for himself, as well as for his band, Coastline.

GEORGE CLEMENTS (*Paul Simon*) George is a Boston based guitarist and singer/songwriter steeped in the folk music traditions. He graduated from Berklee College of Music in 2014 where he was an active member in the American Roots Music program. For the past 5 years, he has been touring nationally and internationally as the frontman and lead singer for the modern acoustic group, Lonely Heartstring Band. The group has released two albums with Rounder Records out of Nashville and has received critical acclaim for their innovative approach to songwriting and string-band arrangements.

PATRICK THOMAS (*Paul Simon*) A multi-instrumentalist, songwriter, and powerful vocalist, Patrick Thomas has spent 20 years crafting a sound that can only be described as uniquely his own. From a musical family, Patrick grew up wowing audiences with his ability to instantly play a song on the piano after just one listen. While attending Vanderbilt University in Nashville, Thomas was selected to perform on the inaugural season of NBC's "The Voice." Making it all the way to the live semi-finals, his Nashville career began to take off. He quickly signed a publishing and artist development deal with Grammy® Award-winning songwriter, Brett James, penning over 200 songs in his first year. Patrick continues to write and tour regularly, performing at venues such as the world-famous Ryman auditorium. He lives in Nashville with his wife Lauren and their Australian shepherd Annie and is incredibly

grateful to be joining the cast of the **THE SIMON AND GARFUNKEL STORY** in 2021.

BEN COOLEY (*Art Garfunkel*) Benjamin Cooley is an actor based in NYC. Born and raised in Queens, NY, he couldn't be more excited to tell the story of two young men from Queens who wrote the music of their generation. Recent Credits: *Polkadots: The Cool Kids Musical* (SKY) *Playhouse on Park*, *Junie B Jones Jingle Bells Batman Smells* (Sheldon) White Plains Performing Arts Center. This is also his first tour and he is excited for all the challenges it will bring!

BRENDAN SMITH (*Art Garfunkel*) Brendan Jacob Smith is a singer, actor and songwriter from Brooklyn, New York. He's a recent graduate of Ithaca College, where he studied music and theatre. Brendan was recently seen on America's Got Talent with his vocal trio, T.3. Composed of three tenors, T.3 gained a following on TikTok by posting covers throughout the pandemic. Brendan was previously seen as Frankie Epps in *Parade* (The Rev Theatre Co.), Ben in *Happily The Musical* (NYMTF), and spent two summers as a member of Hyannis Sound, Cape Cod's professional a cappella group. Brendan grew up harmonizing to Simon and Garfunkel songs and could not be more thrilled to be telling their story.

ADAM SAXE (*Keyboards and background vocals*) Recent credits include pop artists such as Trent Harmon and Jamie Lynn Spears, playing at the Grand Ole Opry, singing the National Anthem for the NFL, Norwegian and Carnival Cruise Lines, and tours throughout the US, Canada and Europe. He has a bachelor's degree in Psychology from Miami University of Ohio and recently received his Masters in Psychology from Pepperdine University in Malibu, California.

ZACH KAMINS (*Keyboards and background vocals*) Zach is a composer and multi-instrumentalist from Los Angeles. He graduated from Berklee College of Music and plays keyboards for a progressive rock band called, The Flower Kings. Zach created

WHO'S WHO

another band called, An Endless Sporadic, which has music featured in video games such as Tony Hawk's American Wasteland and several Guitar Hero games. He tours internationally with The Flower Kings and has also toured playing keyboards for Paul Young and Midge Ure (Ultravox).

BOB SALE (*Drums and background vocals*) Bob Sale was born in Oakville, ON, Canada, eventually moving to Toronto, then to Chicago, and currently lives in San Diego. He's married and has two children. He has had the honor of playing with many excellent artists including, Eric Johnson, Albert Lee, Peter and Gordon, Vince Martel, Ben Vereen, Mary James, and Rick Elias. Bob also played drums on the soundtrack to the Tom Hanks movie, "That Thing You Do!" He has toured North America with PFX: The Pink Floyd Experience for past 5 years. He freelances in Southern California playing gigs and doing studio work, as well as playing jazz and other music festivals around the United States. He also recently had the opportunity to do some shows playing drums for: America, Juice Newton, B.J. Thomas, Stephen Bishop and Billy Ray Cyrus.

MARC ENCABO (*Bass guitar and background vocals.*) Marc Encabo is a multi-instrumentalist, composer, songwriter, and arranger born and raised in San Diego, CA. Between growing up in church, piano lessons at the age of 7, and a fondness for Top 40 radio, he was led to pursue music through middle school and high school as a violinist. Through the influence of YouTube and playing at church, he taught himself how to play guitar and bass. He would later further his studies and complete his undergraduate degree in Jazz Studies in 2016 at the renowned Bob Cole Conservatory of Music at California State University, Long Beach. As a sideman, Marc has performed and recorded with various groups across the US, UK, and Europe. As a composer and songwriter, he has works that have been performed and recorded in the US and in the Philippines.

JOSH VASQUEZ (*Guitars and background vocals*) Joshua Vasquez is a guitarist from San Diego, CA. At the age of 12 he was inspired by classmates at the time to pick up the guitar and eventually decided to pursue it as a career. His pursuit brought him first to the San Diego School of Creative and Performing Arts and upon graduation began attending Berklee College of Music in fall 2013. At Berklee he studied with some of the most renowned teachers in contemporary guitar education. Teachers such as Rick Peckham, Tim Miller, Mike Williams (once a teacher to John Mayer), and Mick Goodrick. Since graduating from Berklee in 2017, Josh has been working as a freelance player in the Southern California area. Doing everything from wedding gigs to big band to musical theater and everything in between. His accolades include improvisation awards from several jazz festivals and being a semi-finalist in Guitar Center's King of the Blues competition in 2011.
