OUR MISSION

To present, produce and promote the highest standards of excellence in a variety of family-orientated, multi-generational and sophisticated theatrical productions; to expose the community to the many benefits of live theatre and the performing arts; to provide opportunities for the youth of the community to experience these benefits as well.

RISE FOR A PURPOSE

This fund is a vital resource that can be distributed across several different programs, each aimed at benefiting the community, supporting local initiatives, enhancing student programs, and more. A MESSAGE FROM THE DIRECTOR

As we reflect on another remarkable year, I am filled with pride for the progress Broadway Theatre League of Utica has made, and even more so by the dedication of our community and supporters, who believe in the power of live theatre.

This past season, we have proudly engaged 3,534 students in unforgettable theatre experiences, presented 11 award-winning Broadway shows at The Stanley Theatre, and expanded programs which fosters educational growth through live performance, workshops, and outreach for our youth. Thanks to the generosity of our supporters, we've been able to grow our impact and continue fulfilling our mission to make Broadway accessible to all.

Thank You!
Danielle Padula
